TREASURER’S REPORT – Chris Hughson

OLD BUSINESS

Regular KABC Meeting Times – *Switched over to Thursdays at 6:30PM in room 102 at KHS*

We are Kennett Night – *Attended by Mark Longacre and Andy Kosara for KABC. We had a table in the cafeteria with the other KHS clubs. Attendance was light to moderate. It would probably be better to have a table in the gym with the other sports.*

NEW BUSINESS

Glenn Ward Invictus Scholarship/Award – *Collection of donations continues and is nearing goal of \$5,000. Maryann Ward is developing selection criteria and Jill Hunt agreed to help document that criteria. It will then be given to Sean Harvey to review the appropriate procedures for selecting candidates.*

Senior Night Banner – *Heather Connelly suggested we consider purchase of a large indoor/outdoor banner that can be used by many/all sports in celebrating Senior nights. Discussion was very positive and Jill Hunt agreed to contact supplier(s) of signs to determine potential costs.*

Houghton Carnival - *Tentative Dates July 18-21 – Permission for Carnival and proposed dates have been approved by KSCD. Contracts with Houghton have been signed. Mark Longacre will coordinate ordering of dumpster and police coverage. There is an opportunity for a team to earn \$400 for cleanup on Sunday, July 22 at 8 or 9AM*
