**Team Thank You** - I wanted to take a moment to thank the KHS Booster Club on behalf of the Golf Team for your generous donation of \$1000 to allow for our Developmental Team this past year. With your donation, we were able to secure Ryan Cooper as the coach of our Developmental team which allowed 9 golfers who did not make the Varsity team the ability to continue to improve their game at Hartefeld under the direction of Ryan. Golf is a game which requires practice and repetition – through the Developmental team these players were able to get this practice time in hopes of making the Varsity Golf team this fall. With the success and positive feedback of the Developmental team last year, I am working with Sean Harvey to make the Developmental team a permanent part of the Golf Program for years to come.

The time, dedication, and funding the Boosters show the athletic teams at Kennett is remarkable – and truly appreciated. So thank you, for not only what you did for the Golf team this past year, but what you do for all of our athletic programs and athletes at Kennett High School. Our programs are the beneficiaries of all your hard work, and you deserve many more thanks and many more accolades than you probable receive.

**TEAM REQUESTS**

**NEXT MEETING – August 9, 2018**
