CALL TO ORDER – Mark Longacre

TREASURER’S REPORT – Chris Hughson

OLD BUSINESS

Concessions Stand Staffing – *Concession stand revenues somewhat lower than prior years, because of opponents and weather. Football did a nice job staffing. The remaining games are listed below. We might be inspected by Chester County Board of Health at one of these games.*

Golf - Oct 12 (WC Henderson)

Boys Basketball - Oct 19 (Oxford)

Mushroom Festival – Team Allocations - *The Mushroom Festival organizers have notified us that we will be receiving 50% of the normal amount because of the Sunday weather related cancellation. We will review the volunteers who reported on Saturday and who signed up for Sunday and develop team allocations/distributions for the next meeting. Initial discussions were to forward essentially all the \$5,000 to individual team accounts and not keep any in the central boosters account.*

Senior Recognition Banner – Large one – *Purchase of the banner up to \$1,300 was approved last meeting and production is underway. The design is shown below*

Fundraising Opportunities

Stadium Scoreboard Sponsorship – *Mark Longacre to reach out to Diver Chevrolet to ask for renewal of KHS Stadium Scoreboard Sign Sponsorship at \$5,000/yr – see sign below. If Diver does not renew, then it will be offered to other businesses.*

Other

Sports Posters – *Posters have been made for all Fall Sports and look great. Will be posted at KHS and are available to parents for purchase.*
