CALL TO ORDER – Jill Hunt

TREASURER REPORT – Chris Hughson

OLD BUSINESS

Concession Stand – Jill Hertz – *Jill is learning and making improvements every week. She appreciates the information that was passed down by the former President, Mark Longacre. Jill has been tracking weather, opponents etc... to help learn how to adjust food quantities etc... for 2020. No financials to report at this time. 2 home games left and potential for home play-off game. Jill to reach out to the football team to see if they want to staff the concession stand for the playoff game, since this year football only staffed it once vs. 3 times in previous years. If they don't take it, then we will open it up to a team that did not work a game yet this year.*

Mushroom Festival Team Allocation – Thom Chiomento – *Need Thom to give us the information on allocations at next month's meeting.*

LED Scorer's Table – Sean Harvey – *Approved at last month's meeting.*

Homecoming – *From everything we heard, everything went well*

Membership – *An idea was proposed to lower the General Booster Club membership to \$25.00 with all the money going to Boosters. A decision was made to not promote memberships at this time, but to accept any that are received.*

NEW BUSINESS

Team Allocation for Off Season – *Since the high school can't pay for off-season training, in the past \$750.00 was made available to all teams to use at their discretion. If continued this could add up to as much as \$14,000 this school year. Therefore based on our current financials (we are \$2k positive before the Mushroom Festival grant money), all off season training requests will be considered and voted on at the monthly KABC meetings.*

Sponsor Sign Update – *No update yet*

Scoreboard and Fundraising – Eric Connolly – *Eric would like to step down. We need to backfill his position and form a separate committee. Jill to speak with Thom Chiomento and maybe we will have a separate meeting after the November KABC meeting to discuss the new Pave the Way project and signage opportunities etc... Paula suggested re-opening the plans to build a new fitness/ weightlifting facility. Lori Seel suggested that we use Go Fund Me?*

Monster Mash Team Fundraising Opportunity – Paula Piercy – *Team's can come to the Monster Mash and feature their fall/winter fundraising items. Contact Paula if you are interested.*

Graphics Presentation – Tom Hrabal – *Presented new artwork to create consistent branding across Kennett Athletic Teams and the school district. Jill Hunt to speak with Sean Harvey concerning the next steps.*

Team Requests

- *Boy's LAX – Jill will ask Lori Faust to put down exactly how much they are requesting and what they want to use it for this year.*
